

NEWSLETTER WEEK 2.11

Dear Parents and Guardians,
Term two has ended in an exciting and busy manner for all at AISPNG.

THANK YOU: On behalf of the school I would like to say thank you to all the parents who have come in to help teachers through out the term. Another big thank you to all the parents and teachers for a successful term and we look forward to your continued support in Term 3.

ASSEMBLY: Our end of term assembly will be today. Assembly will be at the usual time from 12:00- 1:00pm.

Early Morning tea- 9:30-10:00
Early Lunch – 11:00-11:30

Our theme for the assembly is Science & Technology. All students will be presenting their technology pieces.

Students will also showcase their art pieces that they have created throughout the term under the guidance of Mrs Merimba.

If you would like to take their pieces home you are more than welcome to. Be warned that a few pieces have a price tag on them ;), to sponsor some class activities. (But no more than K20).

If you have time available please come and join us for assembly. I would like to invite all parents to bring a little plate of something to share with everyone after the assembly.

Students may leave for term holidays at the conclusion of the assembly.

UNIFORMS: We sincerely apologize to all the parents who have enquired about the new uniforms, currently they are all still in Lae waiting for all the embroidery to be completed. Continued blackouts seem to have disrupted the business who took responsibility to complete this job. We are disappointed it has not been completed yet and are following up quite actively.

BANK ACCOUNTS

CONGRATULATIONS ULYSSES

Congratulations to the Ulysses Team for winning the end of term reward points system. They all had a treat yesterday with ice cream and a movie. Well Done!

PARENT CONFERENCES: All school reports have now been completed. Teachers will book times for conferences today with parents to go through your kid's reports next week. (This is indeed during the Term Break. Teachers will be working in the first week of the break. If you have holiday/travel plans, we can of course schedule a conference at a later date).

FRENCH PICNIC: The years 1 & 2s ended their French classes this term with a French Picnic.

Thank you to all the mums and dads Who supported their children by making something French for the Picnic and to those who came in to share the day with them. Some pictures of the day are on our Facebook Page and webpage www.aispng.org

AUDIT REPORT: The report and executive summary of the review recently conducted by the School Improvement Unit (SIU) from Education Queensland International has now been completed. The review report is designed to inform the

strategic direction of the school. The findings and feedback provided will be incorporated into the school's four-year strategic plan and support the school's improvement agenda. This report has been uploaded to our website for everyone who is interested. www.aispng.org/news

GOODBYE TO THE GARDS: On behalf of everyone associated with AIS-PNG I would like to farewell Nell & Lola Gard and the Gard family. They are departing Goroka next week and will be greatly missed. Chris Gard has been a great contributor to AIS-PNG when help is needed in and around school.

“No need to say goodbye!” We will see you soon.

SCHOOL FEE SCHEDULE: The Term 3 school fee schedule has been sent out via email and also through your children. Please have these forms completed and returned to the school via email or through the admin office so Fidelma can issue invoices accordingly.

Please note that due to late school fee payments in the first Semester, and with fees still outstanding, AISPNG has had to delay purchases to cater for the school's infrastructure and further improvement. The school's management has decided to implement a stricter schedule and deadlines on payment of the fees as explained in the email.

WEBPAGE: As usual our newsletter will be uploaded onto our website. Please visit our webpage www.aispng.org for a complete archive of our newsletters.

Happy Holidays!
