

NEWSLETTER WEEK 2.10 2018

Dear Parents and Guardians,
This is now the last week of the term. Thank you to all the parents who have been very diligent in getting their children to school on time and ready for the day throughout the term. It is appreciated by all their teachers.

We would like to welcome Alexander Kamuri to Early Learning. Alexander is excited to be here and join his sister Victoria who is in year 1.

SCHOOL REPORTS: Our Early learning reports will be sent out this week. Year 1-8 reports will be sent out in week 1 of term 3.

ASSEMBLY: Our end of the term assembly will be on Friday from 10:00-11:00am. Our theme for the assembly will be Science & Technology. All students will be exhibiting their projects and what they have learnt throughout the term. This assembly will be slightly different, students will present some dance pieces and then move through the classrooms to showcase the classroom displays. Students will be your guide to explain their project pieces while you get to see their work in their classrooms.

After the assembly, I would like to meet with the parent community for a few minutes to give you all an update of how the term went. If there are any issues parents would like to raise this will be a great opportunity to do so.

HOLIDAYS: Students will have a two-week break while the teachers have a one week break. Teachers resume on Monday the 2nd of July. If you would like to pop in to see the teachers regarding your child's work for the term, please do so. Classes resume on Tuesday the 10th of July.

ENROLLMENT FORMS: We are having our review team up next term and we need updated enrollment forms of all students this year as evidence that your children are enrolled here at AIS.

I would like to kindly ask all parents to fill these enrollment forms and have it sent back to school for our records.

If you already have filled out one this year, there is of course no need to complete another one, unless your contact details have changed.

HOMEWORK: Thank you to all the parents who have raised concerns about homework tasks that were not emailed on time this term. Your concerns and comments are appreciated! This issue has been addressed with the teaching staff and the teachers will improve on this area.

SCHOLASTICS: Issue order 3 has arrived however we are missing a few items. I am following up with the post office to locate this box. I sincerely apologize to the parents who have missed items on their issue 3 order. I will keep you all updated on this matter.

TARDINESS: During the past couple of weeks there have been a number of students coming late to school every day. We would like to ask all parents to please bring your children to school on time as students do miss out on very important announcements and also the morning part of lessons.

LAPTOPS: As of term three I'm encouraging students from year 3-8 to bring in their personal laptops or I pads with keypads to school for class activities and of course with parents' permission. Mrs Ghabiliha will assign days when they are to bring these items in.

REVIEW TEAM: Our review team will be visiting us next term to review our school. We are looking forward to this process. The purpose of the visit is to undertake a review of AISPNG and provide recommendations to school leaders on school improvement strategies.

TUCKSHOP: Tuck-Shop is having a fundraiser tomorrow. Tuckshop will be selling doughnuts for K1:00 to help with the purchase of library books. They are of course delicious and students (and parents?) certainly deserve a treat for morning tea or lunch.

You all have a lovely break and see you all in term 3.
