ICAS TEST: For parents who have given consent for their children to sit these tests; the English test will be done on the 3rd of August and the Mathematics test will be conducted on the 14th of August. The tests provide a snap shot of individual student skill development in the key learning areas of numeracy and literacy.

TERM DATES FOR 2018

Wk. 3.8- 2nd Drama
Wk. 3.11 – Independence Assembly

HOMEWORK: All homework and term planners for this term will be emailed by the teachers and no longer by the admin office as we did in previous terms.

LIBRARY BOOKS: Could all parents please have a look at their homes for any library books that belong to the school and have them returned to school next week.

POLIO VACINATION: Could all parents please provide a copy of proof that their children are up to date with their polio vaccinations. Please pass this on to their teachers or the main office. This is just a precaution that the school needs to take to make sure that all students are safe.

I'm in the process of trying to organize someone to come up to the school and administer the vaccinations to our students at the school. Once confirmed, a consent form will be sent out to parents for those students that need a vaccination.

Could I please ask all parents to make sure your children pack a little bottle of hand sanitizer. We do have paper towels at school however we would like students to also bring their own hand towels to school for cleaning their hands. This is an extra precaution we have to take here at school.

TUITION FEES/ AIS BUS SERVICE: All invoices for tuition fees for term 3 have been emailed out. Please do not send your children to school if their fees are not settled. Thank you to all the parents who have paid. If you have not received a receipt for your payment, please email the school.

Parents who use the bus service need to settle their fees before the bus can pick up their children.

HEAD LICE: A head lice check will be done next week at school. Students with head lice will be sent home and will be required to stay home until treatment is completed.

We would like parents to make sure that your child's finger nails are trimmed before they come to school.

SPORTS: This term the Soccer program will begin for both senior and junior students.

ASSESSMENTS: This week teachers have been conducting spelling and other diagnostics test for the second semester contracts. All information will be given to parents during parent teacher conferences.

SCHOOL CAPS: School caps are on back order. I've also raised the concern on the cap straps not lasting. Hopefully the supplier will address this issue. As of 2019 the new school hats will have a brim to provide extra protection from the sun. I'll keep you all updated on when they arrive.

THANK YOU: Once again thank you to all the parents who have supported the school in making sure your children are well prepared for the days ahead.

PUBLIC HOLIDAY: On Monday 23rd of July there is a public holiday (National Remembrance Day). Enjoy the long weekend!

Enjoy the long weekend.
See you all next week.
